PH33325FEH

A woman with short brown hair and bangs is standing in a workshop or factory setting. She is wearing a black double-breasted blazer over a light-colored shirt, light blue denim jeans with rolled-up hems, and black safety boots. She is smiling and looking towards the camera. Her right hand is raised in a gesture, and her left hand is in her pocket. The background shows industrial equipment, a blue and white structure, and a metal workbench with various tools and materials. The floor has yellow and black striped safety markings.
